National Child Passenger Safety
Certification Training Program's
2014 Technician Guide

New for 2014, the National Child Passenger Safety Certification Training Program's **Technician Guide**. Thirteen Modules are covered in 140 color pages that feature updated information, all new photos and job aids that will help you educate caregivers at the side of the car.

Read what new technicians are learning in the 2014 course on-line at <http://cpsboard.org/2014-tg/> or **purchase a copy for only \$20***. This price includes single copy shipping within the United States (including Alaska and Hawaii) via US Postal Service Priority Mail.

*For bulk orders or delivery outside the United States (U.S. Territories and international shipping) e-mail us at office@800BUCKLUP.org

Want to purchase via PayPal or credit card? On-line order form <http://www.800bucklup.org/technicians/index.asp>

Enclosed is my \$20 check, payable to the Safety Restraint Coalition* for a 2014 Edition of the *National Child Passenger Safety Certification Training Program Technician Guide*.

*The Safety Restraint Coalition, a 501 (c)(3) non-profit organization. Proceeds will support Coalition's child passenger safety programs in Washington State.
